WHAT THEY SAY ABOUT ATMI

Robertus Catur W

SMK Strada Jakarta/ Angkatan 1/ PT. Sanwell Austindo, Jakarta

1 mahasiswa - 1 mesin, membuat mahasiswa fokus dalam menjalankan pembelajarannya. Hal ini telah saya rasakan sendiri manfaatnya. Saya berharap sistem pendidikan ini tidak berubah.

Hendra Nur Cahyanto

STM Mikael /Solo/Angkatan 7/TAIYO SANGYO JAPAN

Disiplin dan tanggung jawab tinggi adalah karakter pendidikan ATMI Cikarang. 3C yang diajarkan dan diterapkan dalam perkuliahan berguna sampai sekarang khususnya di dunia kerja. Pondasi itulah yang membawa kepercayaan yang sangat tinggi dari perusahaan kepada saya, walaupun bekerja di luar Negeri.

Stefanus Triandika

SMA Xaverius Bandar Lampung / Angkatan 9/ PT. YSA WELDINDO TEKNIK

Ilmu tidak hanya didapat dari membaca buku. Praktek kerja langsung juga dapat menjadi jalan yang lebih efektif. Dengan sistem PBET ATMI menciptakan mahasiswa yang kompeten dan membentuk mental yang kuat sehingga siap terjun ke dunia kerja.
